Prepare both a summary paragraph and a general description of the resource and its various elements as it exists today.

This house faces southwest onto Highway 765. It is a two-story double-pile, three-bay framed and weatherboarded, gable-roofed example of the early twentieth-century Colonial Revival. The windows are glazed with six-over-six double-hung sash. The central entrance is sidelighted with a segmental arched and pedimented porch supported by square piers. There is an exterior brick chimney on the gable-end wall. There is a two-story shed-roofed, flounder-like rear extension and a one-story flat-roofed wing built onto the northwest gable-end wall. Aluminum siding and louvred blinds are recent additions.
